A GROWING NEWSPAPER A GROWING COMMUNITY

Vol. 63, No. 38 CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA 10c per copy Thursday, October 6, 1955

TIGHT FIT IN CITY CLERK'S OFFICE

The City Clerk's office, 11½ x 13½ feet in the fire station is inspected by the 20-member Citizen's Committee to hear Mayor Richard Morton, right, explain its inadequacy for two full time employees and one part time employee with desks, filing cabinets, counter and other office equipment all of which would be sufficiently housed in modern quarters if the bond election is approved by Campbell voters October 18th. Six committee members shown above are, left to right, Del Lucot, W. W. Johnson, Lester Lafferty, Dr. Robert Jasmine, Douglas Beatty and Henry Jewell.

ANOTHER SCHOOL SITE SOUGHT IN CAMPBELL

Because of rapidly increasing potential of children in the north east section of the Campbell Union Elementary school district, steps are being taken to acquire some 14 acres comprising the Skow property on Fruitdale avenue between Meridian Road and the San Jose-Los Gatos Road for another school in accordance with approval from the State Department of Education and the County Planning Commission.

Condemnation proceedings have been filed in the event direct negotiations with the owner are not consummated, school officials said today.

C. E. Bradley, business manager for the district has appointments for Monday morning at Sacramento with the State Department of Education and the Department of Finance to get approval for adding eight more classrooms, a shop and a home economics room at the Monroe School. He also will apply for state aid to buy the Skow property site for the 11th school in the district.

GUBSER WILL SPEAK AT CAMDEN HIGH WEDNESDAY

Members of the newly organized Cambrian-Union Republican Assembly will hear Congressman Gubser next Wednesday evening discuss water and power problems in the West, in a forum at Camden High School cafetorium. The public is invited to the meeting as a public service.

Joe Donovan, chairman of the County Bond Committee, will tell what the county will get if the bonds are approved. George Milias, state vice-president of the Republican Assembly will give the keynote address. The Assembly leaders said today they expect to have top bracket speakers to meetings.

Ed Stanley, chairman of the local group, said that this is the sort of meeting that makes democracy succeed. Program chairman is to be Vernon Margrave while the reception committee includes Mrs. Avabel Baker, and the committee on arrangements include Mrs. Margaret Regan, Mrs. Maud Sermuks, Mrs. Patricia Mathewson, Mrs. Mary Lubek, Galen Thompson, Jerry Rossi, Stephen Jensen and Joseph deFretas.

SCHOOL GROUPS PLAN OPENING MEETS OF YEAR

Programs were being made today for the start of a busy school year by PTA groups and Home and School culbs.

Rosemary Home and School Club will hold its first meeting of the year next Tuesday, at 7:30 P. M. in the school cafeteria. There will be a brief business meeting, after which an open house will be held to give parents an opportunity to visit the various rooms and meet the teachers.

Moorpark School PTA will hold its first meeting of the year in the school cafeteria on Tuesday, October 11th at which time there will be a potluck supper in the school cafeteria at 6:30 P. M. The regular meeting will follow the supper.

Dover School will hold its first Home and School Club meeting of the year next Monday in the cafeteria of the Hamilton School. A large attendance is expected.

Hamilton School P. T. A. will meet in the school cafeteria on Monday, October 17th at 7:30 P. M. The program will include presentation of the faculty and a panel discussion on curriculum. Taking part in the discussion will be two principals of the Campbell School District, Neal Royer and John Duncan, also two teachers, Lela Salmi and Gilman McMillan.

Firemen Favor Bond Proposals

At their regular monthly meeting Monday, members of the Campbell Volunteer Fire Department unanimously endorsed the bond issues to be voted October 18. Chief Jack Scott is studying types of fire house plans that could blend in with general architecture of the new west side subdivision areas.

The proposed fire house would be on a site which could best serve this area and it would supplement the main mercantile and school area of Campbell proper. The site would provide for park facilities.

Chief Scott would staff the new station with adequate paid personnel and with some volunteers from the new area in a way that a more favorable insurance rating would be realized.

The Volunteer department now has 28 members. The city owns apparatus for another station but Chief Scott says some minor equipment will be needed.

Country Women Hear Of County Bond Election

At a meeting Monday afternoon of the Campbell Country Woman's Club in the Campbell Library Room, with Mrs. F. Albert Ellis, presiding, the speaker was Dr. Manson, director of Tuberculosis Clinic at the County hospital who gave an affirmative talk on the County bond election on October 25.

The program was introduced by chairman, Mrs. H. T. Miller formerly of Campbell but now living in Crescent City. Mrs. Noble Hancock played piano selections, two Scarlatti Sonatas and Toccata from "Suites for Piano" by Debussy.

Mr. Leonard McConnell, executive director of Family Service Association, showed a movie, "A Family Affair".

Tea and cakes were served by members of the program committee—Mesdames Henry T. Miller, Anne Abraham, E. F. Ballot, Charles Bradley, O. L. Tunstall and Nellie Rutherford.

A bus load of Campbell high school boys travels to Stanford Stadium in Palo Alto or to Memorial Coliseum in Berkeley to help usher for Stanford and California home football games each Saturday during Fall. Coach Jim Muir and Science Teacher John Meischke chaperoned twenty-five of them to Berkeley last weekend

360 Homes In Nine Months

BUILDING PERMITS SET RECORD HERE

Building permits for construction in Campbell from January 1 to September 30 have a total valuation of $3,891,206 according to records at the office of the County building inspector, at the time this departmental work was taken over by the City of Campbell, with W. L. Morser in charge. Of this total cost the work was for 360 new homes in this nine months period.

In January the permit book shows permits issued for 36 homes and a 4-unit apartment value $309,625, with $3400 alterations for total of $313,025. In February permits for 93 new homes, a $75,000 church and $4,750 alterations, total of $869,950. In March permits for 37 new homes including a 23-unit apartment house costing $543,100 and alterations costing $23,925, total of $577,025.

In April permits for 31 homes valued at $250,600, with $16,500 commercial and $17,050 alterations, total $284,150. In May permits for 50 new homes costing $455,050 and alterations costing $10,050 and in June permits for 22 homes costing $148,895 with $16,631 in alterations for total of $165,526.

In July permits for 12 new homes valuation $108,400, a school shop costing $8,200 and alterations costing $15,080, total of $131,680. In August there were 45 permits for homes issued costing $348,250, commercial $1500 and $13,150 alterations for total of $362,900.

Last month permits were issued for 34 new homes and total permit valuation was $721,850, issued as follows:

A & M Construction Co. three $10,000 homes on Bend, El Moro and Midway, Phillip W. Hayden for $11,000 home on Peter Drive, John T. Roberts a $12,000 home at Shamrock and Erin, Trojan Construction Co. for 23 homes costing total of $184,000 on Calada, Trojan, Ensenada and Villarita, R. B. Scheid for $10,000 home on Patio Drive, M. E. McCart and R. A. Johnson each building 4-unit apartments costing $16,000 on Kuehnis Drive, R. B. Scheid a $10-000 home on Patio Drive, J. D. Dominguez for $13,000 home on Bent Drive and W. A. Stelle for $13,000 home on Cloverdale Lane.

H. Sevier became the first person to whom a building permit was issued in Campbell from the new cty department when on Tuesday he took out a permit to build a $9,000 home on Central Avenue, Shady Acres No. 3 subdivision, according to W. L. Morser, building inspector.

Morton, Chargin Tell Needs For New City Hall

Mayor Richard Morton spoke yesterday afternoon before members of the Campbell Republican Womans' Club at a meeting in the home of Mrs. Carl Field, 99 North Second Street in which he stressed the need for a city hall, a corporation yard and a fire station as would be provided if the bond issues to be voted October 18 are approved by the electorate. He said Campbell has not been prepared for the growth it is experiencing so far as having these facilities.

Mayor Morton is to talk again today at St. Lucy's Church on this subject and he will be the main speaker next Tuesday at the Campbell Kiwanis Club meeting.

In the meantime, Councilman John Chargin has talked on the same subject before the Campbell Rotary Club.

Mayor Morton is to talk Tuesday evening before members of the Campbell Lions Club in Country Woman's Clubhouse on band proposals.

First high school "Faculty Club" meeting will be called to order next Monday night after school by new president, Ernie Pope, French teacher. The club is interested in building the professional standards. In one of last year's most interesting activities, different teachers told club members "How I teach high school students and why." These discussions were profitable to all who participated in them.

San Jose Noses Its Way Toward Hamilton Avenue

A map has been filed with the County Boundaries Commission by the City of San Jose which would extend their city limits from Dutard street and Winchester Road east to the Campbell city limits which it would border along a southerly line to the Campbell city limits on the north side of Hamilton avenue and west to a point where Esther avenue would project if it crossed Hamilton, then north about 800 feet and west across Winchester Road and west of Rosemary Lane to Eden avenue for about 800 feet then east to Winchester Road which it follows to the point of beginning at Dutard Avenue. There are 70 acres east of Winchester Road and 20 west of it. One mile and a quarter of the proposed annex touches the Campbell city limits.

Mayor Richard Morton and members of the city council in a special meeting Tuesday night declared this to be flagrant violation of a gentlemen's agreement entered into by the city councils of San Jose and Campbell in January in which neither city was to annex beyond Payne avenue. At that meeting Campbell had favored Williams Road as the line which San Jose was not to cross, but San Jose Councilman insisted on it being Payne Avenue. This annex, Mayor Morton said is three-eights of a mile across Payne avenue to within walking distance of the Winchester Shopping Center in Campbell.

The annex is known as Maywood 3. Mayor Richard Morton has turned the matter over to the city attorney, Joseph Bonacina.

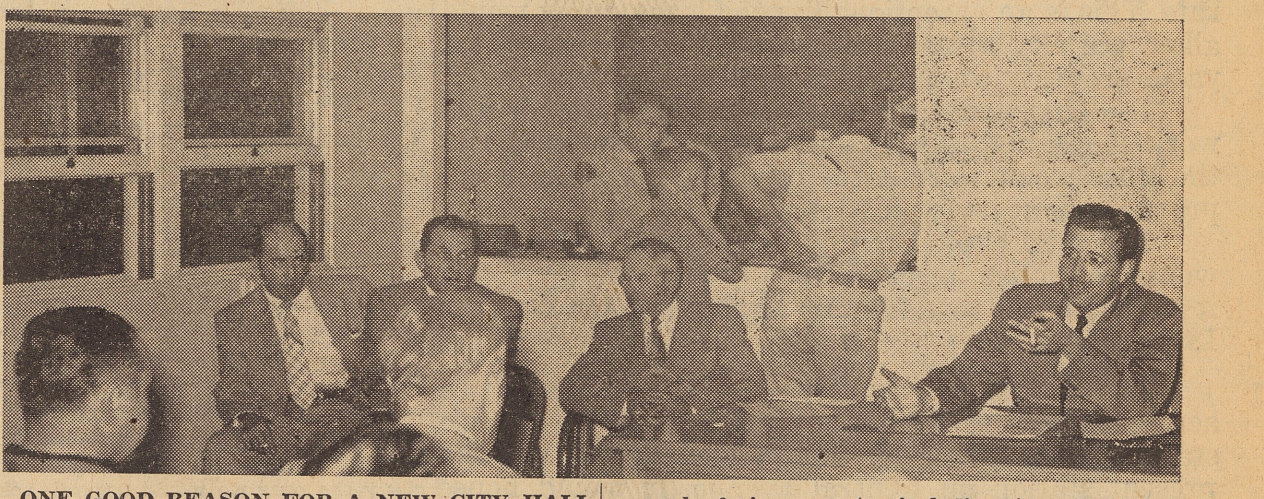
In the meantime, the City of San Jose on Tuesday night adopted a full one percent city tax to be effective December 1, so as to raise money for what they term needed projects, one of which is what City Manager Hamann calls the Campbell Expressway for which $600,000 would be spent for a road along the S. P. tracks toward Dick's Shopping Center on the fringe of the Campbell city limits. In this annex also, San Jose allegedly violated the gentlemen's agreement not to cross to the west side of the San Jose-Los Gatos Road.

School Packed With Parents For Classes

More than 1200 persons jammed into the Campbell Grammar School on Tuesday evening to take part in the "back to school" program in which parents were sent into classrooms with their children and got ten minute refresher courses. The lower auditorium was filled to capacity as a PTA meeting was conducted by Burnard C. Clark, president, and with Mrs. Maxwell Simkins as general program chairman. Main object of the PTA meet was the membership drive starting Monday and continuing through Friday of next week.

After the meeting, parents attended the classes which make up one day in the life of their child. They met with the teachers and learned something of the program of work covered in each class. Refreshments were served in the home rooms after visiting the various classrooms.

The P. T. A. is making an effort to have parents get acquainted with one another and have parents take an even more active part in school activities. One of the best ways to get acquainted with parents of friends and classmates of their children is to assist in the various P. T. A. activities.



ONE GOOD REASON FOR A NEW CITY HALL

"Here is a practical demonstration, entirely unexpected of why Campbell must have a City hall so that the police department may have privacy" explains Mayor Richard Morton to a citizen's committee seated Thursday night in the Planning Commission Room at the fire station. Here, a boy with his father are merely applying for a bicycle license, but very often people facing arrests, including juveniles are brought to this open alcove for finger-printing, booking and interviews, all in full view and hearing of a public meeting. Facing the audience in the crowded room seated, left to right are Councilman Charles Rose, Councilman John Chargin, Citizen's Committee Chairman, Joseph Gomes and Mayor Morton, while in the background is Police Officer Gordon Rooney.

CITY NEEDS AROUSE PUBLIC

Fifteen City Employees In Make-Shift Offices

More than sixty persons jammed into the Campbell Fire House on Thursday night to be briefed by Mayor Richard Morton on the $100,000 city bond election to be held October 18. There were city employees, auxiliary police and volunteer firemen present along with the 20-member citizens' committee, city councilmen and interested citizens present.

Mayor Morton, after explaining the issue and drawing a word picture of conditions under which the 15 city employees must work at the fire station, personally conducted a tour of the premises to prove his points. He lauded the firemen and the citizens who, before the city was incorporated, had planned the present fire station which he said was exceptionally well designed for its specific purpost as a fire station. It was never intended, he contended that it should have multi-purpose use as at present for the city clerk staff, the fire and police departments, the planning commission meeting place and from time to time for the city council meetings, for the department of public works and for housing public records.

While the discussion was going on, a man and a boy crowded past the packed group to the counter where bicycle licenses are issued by the police, and Mayor Morton said that is an unrehearsed example of what often happens, only usually it is someone under arrest, or in custory of the polcie, often a juvenile being questioned about some offense in plain view and hearing of those attendiig a public meeting such as this one, or the regularly scheduled planning commission, special or adjourned meetings of the city council.

The bond election October 18 is to correct this condition and make it possible to have rooms for each department along with an assembly room. It contemplates adequate facilities for the city clerk, the police department, the council, planning commission and the building inspector. The police department will have a reception room, a private office for the chief, a record room, a squad room, an interrogation room, an evidence room, a storage room and a holding cell, while the building inspector is to have a reception and a private office room. There will be a recreation room for employees and there will be adequate rest rooms for the employees and for the public. The total area to be available for the city clerk will be over 800 square feet while the police department will have 2300 feet. The fire department will retain present facilities, except that a proposition will be voted for a station in the west section of Campbell so that fire trucks will not have to be rushed by the Campbell Grammar School and High School, and afford protection to what is projected within two years as being a vast, new building area.

The city hall measure is for $55,000 bonds, while land and a fire station building on the west side calls for $35,000 bonds and a corporation yard calls for $10,000 bonds.

Sub-Committees Named For Bond Election Campaign

Joseph V. Gomes, chairman of the Citizen's Committee has named the following committee to conduct the campaign for the bond election on October 18 which would provide a city hall, a fire station in the rapidly growing west part of Campbell and a corporation yard for the housing and servicing of city equipment, the first named being chairmen:

Fund Raising: Tony Raffanti, Douglas Beatty, Verle Grizzle and W. N. Lloyd.

Newspaper Publicity: W. W. Johnson, Rev. Herbert Neale and Lester Lafferty.

Telephone Contacts: Robert Jasmine, Del Lucot.

Endorser List: Guy Farley, Ken Stringfellow, Mrs. Barbara English, Sam Ranfre and Richard Salice.

Window Cards and Pamphlets: Lester Lafferty and Dr. Robert Jasmine.

Speaking Engagements: Henry Jewell, Mrs. Winona Clark, Glenn DuBois and N. W. Schoenberger.

COMMERCIAL ZONING FOR RINCON SITE

The Planning Commission tonight will set a time for public hearing on an application just filed by Bud H. Scheideman for change of zone from first residential to commercial on his property at the northeast corner of Virginia and Rincon avenues.

Scheduled also for tonight is the adoption of a resolution setting time for amending the zoning ordinance in regard to parking facilities in the commercial areas. A letter is to be read by Homer Hyde, secretary of the commission, from the City of San Jose relative to the master plan of streets and highways.

Rebekahs Hear Of U.N. Session

Miss Yvonne Olson, a student at Fremont Union High School at Sunnyvale, spoke to members and friends of Ada Rebekah Lodge at their potluck meeting Tuesday in the I. O. O. F. Hall in Campbell. Miss Olson represented five counties in this area to the United Nations Pilgrimage which was sponsored by the Odd Fellows and Rebekahs of the United States and represented District 3.

Miss Olson spoke on her trip to see the United Nations in action and showed pictures during her talk.

"Why I Should Like to See the United Nations in Action" was the title of the essay and speech which won Miss Olson the trip, which won Miss Olson the trip. Another pilgrimage is being planned for the coming year when another student will be given the opportunity to make this trip.

If bonds are sold at two per cent as hoped, Morton told the audience, the three issues will cost owner of an average home assessed at $4,000 less than two dollars a year. He estimated the tax rate rise under these circumstances at 4.35 cents per $100 assessed valuation.

His prediction for the bond tax rate was based on the assumption that new construction increases the assessed valuation at the same rate at which it has risen for the past three years, he said.

Morton also told the gathering that a bond issue was chosen by the City Council as being the fairest way of paying for the facilities. He said future inhabitants, as well as present property owners, would thus pay for the buildings from which they will benefit.

The mayor lauded the city's corps of employees as "top flight", but, he said, they need enough room in which to work if they are to do their jobs with maximum efficiency.

State Allots Traffic Light Moneys Here

The State Department of Public Works at Sacramento has just announced allocations by the California Highway Commission for projects in Santa Clara County among which are allocations for channelization and highway signal lights at Campbell Avenue and Union Avenue on the San Jose-Los Gatos Road.

Estimated cost is $94,000 of which $80,000 is the State's share, $9,100 the County share and $4,900 the City of Campbell share.

Norm Corvello Is Kiwanis Club President, 1956

Norman Corvello, owner of the Campbell Hardware Store was elected president of the Campbell Kiwanis Club for 1956 at the luncheon meeting Tuesday. Others elected were Oliver Jensen, vice-president and Arthur Mayo, treasurer; board of directors Rex Jeffers,Joseph Gomes, Clarence Nelson, Howard Atkinson, Lowell Benson, Wayne Fontes and Henry Jewell.

It was announced that the inter-club meeting with the Kingsburg club will be here on November 1.

Al Gilbert, manager of the San Francisco office, California Newspaper Publishers Association spoke on Freedom of the Press in which he pointed out that liberty of the press is one of the most cherished personal liberties. The broad number of papers gives vitality to communities they represent. A controlled press is not a free press.

Program chairman was Lester Lafferty, arranged in recognition of National Newspaper Week.

Congratulations are in order for high school drama director, Ken Wallace. Last week his wife, Rosamund, gave birth to 7 lb., 6 oz Deborah Jill, so Ken Junior now has a pretty little sister.

EDITORIAL

OPPORTUNITY IS HERE

The City Council has negotiated a lease with the County of Santa Clara, covering property owned by the County that is located on the west bank of the Los Gatos Creek just south of Campbell avenue and east of Gilman Avenue. The lease, which is for twenty years, is for five dollars per year with a privilege of it being extended another twenty years at the same rate. This is an exceptionally good lease, for it would allow the city to use the property as a corporation yard, property completely fenced and surfaced.

The city would set up storage sheds, repair and work shops, and an office as a corporation yard, and the lease would permit the city to remove these improvements at its expiration.

The total capital outlay would be $10,000, which would seem like an exceptionally good bargain, and it is ours if we vote for this measure at the October 18 election.

The council has a prospective site of about two acres in the west section of Campbell for a new fire station, similar in design but on a smaller scale to the present station on Central avenue. It would house two pieces of equipment already owned by the city, and it would provide living quarters for three firemen. Likely as not, the site would be adequate for a small park and the firemen would be held responsible for its maintenance. This project is the second measure on the ballot to be voted on October 18, and certainly has outstanding merit, for the probable reduction in insurance rates would offset the slight increase in tax rate. It is wise economy to approve this $35,000 fire house bond measure.

The need for the city hall is so obvious in a city of this size that it is hard to conceive who might object to such a proposition. The council has deliberated over these matters from all angles and has come up with some excellent propositions for the betterment of the city at a cost of less than half a cent a day for the average home owner. This certainly is not an unreasonable burden for the improved and necessary facilities.

We have an idea that with the substantial increase in assessed valuation of improved lands following trend of building permit issuance, and the potential lowering of insurance rates, the presumed tax increase would be just about offset by other municipal savings.

One thing for sure, we will never again have a better bargain for our municipal housing or for land purchases in the right location, than are provided in these three propositions. Your vote for these measures will be a wise one for which the next generation will commend you.

OUR PRESIDENT

The History Club at the Campbell High School is soon to have a midwest attorney, active in national politics, discuss some of the likely candidates for the Presidential race in 1956 in the event that Dwight Eisenhower is not a candidate.

This is quite a good thing to discuss, but we wonder about this constant repetition that Ike may not be able to run. He had a heart attack, as we have been told, over and over again, but does that automatically eliminate him? Thousands have suffered heart attacks and accepted them as warnings to adjust their habits, then have gone on with active, useful careers for a decade or more. To quit being active for a man of the Eisenhower background would be more harmful to his health.

There is nothing wrong about discussing potential candidates fairly with these students, but in doing so, don't count the President out of the race until he himself says so. He is a fine, Christian man, of temperate qualities, keen diplomacy and an understanding of human qualities. He has long been able to work with others as a team and to get exceptionally good work from those he works with.

President Eisenhower is the symbol of good faith that shines around the world of today. As long as he has men who are able and inspired to do responsible government assignments, he is a good man to have at the helm. He has faith in his own destiny, and he is still our Chief.

HERE WE GO AGAIN

It seems that just about the time that prices seem stable, some mixture of factors acts to throw the stability out of kilter, and the whole works grinds mysteriously to the end that Mr. and Mrs. America digs deeper into his pocketbook for the things he needs or wants. Let there be no mistake, prices are going up, and in some instances, the rise is much more than a small amount.

An excellent example of this is the wholesale paper industry. Some months ago, competitive factors existed that forced the companies to give larger discounts to their clients, which in essence amounted to a lowering of prices. Now, under the double impulse of an easing in competitive conditions, and a general increase in prices from the mills, prices being asked of paper buyers have jumped in some cases as high as five percent this month. The chief factor affecting this condition is simply that the demand is getting ahead of the supply, and manufacturers can get what they wish for their products. Raises in pay, too, have had an unsettling effect on the whole price structure.

LETTERS TO THE EDITOR

Editor Campbell Press:

To me, a resident of Campbell for over 60 years, the letter by Charles F. Hunt, who styles himself "a comparative newcomer," is a challenge, and I thank him for it. It prompts me to give praise where praise is due.

His criticism of the leadership in this town seems to me so out of place as to be fantastic, especially his criticism of what he calls the last several years.

In the last several years this town has incorporated. I voted against, and expected the most dire failure. Instead, the success of our City Council headed by Mayor Morton has been to me most astonishing. All promised before incorporation has been carried out, and more. And the spirit of community cooperation has been tops.

All our bond drives and special tax drives have carried. And now our drive for $100,000 for Municipal bonds is being led by some of our heaviest tax payers, precisely the ones we would naturally think would be opposed. This spirit is gorgeous.

Our police force doesn't strut around our street corners. Instead, it quietly makes over 100 arrests a month. Its quiet efficiency is hard to believe. Our local court collects monthly from $1,000 to $1,200 in fines—mostly from outsiders! This money helps to pay our enforcement bills.

Reckless driving is no longer an issue. Our centers of disturbing the peace have disappeared.

Our Volunteer Fire Department, long good, is better. It has new equipment and a paid fireman always on duty day and night. The good record of this Volunteer Department might be called with truth a world beater.

Most of our stores have remodeled in the last several years and now have the latest in equipment and methods. The line of goods offered is from my view amazingly complete. Our Campbell Merchants Trading Stamp System is probably one of the most intelligent ever devised.

In the last several years our Elementary School Union has grown from one school to nine, or is it ten? The work and responsibility handled by our unpaid School Board increases our confidence in human nature. Who would ever think it possible to find citizens willing to accept this thankless job? I have already spoken of our successful bond and tax drives, led of course by the School Boards, both Elementary and High.

On the High School Board I was 12 years myself. I saw with my own eyes this problem of keeping a school up with amazing population growth from the inside. I challenge Mr. Hunt or anybody else to show a High School Board more completely up with the times in a period of fantastic development.

Year-round organized tax-supported recreation for our school-age youth we have had for the past several years. Los Gatos to the south is just now trying to get this project started.

Incidentally, Los Gatos has not enlarged its boundaries a foot in over 50 years. What is wrong with public spirit in Los Gatos area is anybody's guess. My guess is that Los Gatos is hidebound by being surrounded by weathy social snobs, "exclusive", wanting to be included out.

In Campbell social snobbery hardly exists. Where it does, nobody who counts pays much attention. It serves chiefly to amuse. It doesn't block our progress at all.

Campbell is a friendly and neighborly town. This "climate" was true of Campbell from the first. I hope it will so remain.

Mr. Hunt spoke of the "Valley of Hearts Delight". He seemed to overlook that what delights the heart most are things of the heart itself.

Cherry Lane Home And School Club Officers Named

The newly-organized Cherry Lane Cub Pack 77 conducted the flag salute September 27th as the Home and School club met at Cherry Lane school with Phil Salitiri presiding. The teaching staff was introduced by Ann Meridier, principal. Appreciation was expressed for Alan Watson who served as recreation director for children during the summer at the school.

New committee chairmen introduced were:

MEMBERSHIP, Wilma King; PUBLICITY, Barbara Thompson; FINANCE, Henry Kahrmann; PROGRAM, Charles Bruce; PROJECTS, Ken Rutter; CLASS MOTHERS, Mrs. Whistler; NURSERY, Mrs. Condit; REFRESHMENTS, Rachel Rutter; CORRESPONDING SECETARY, Betty Greenlee.

The new officers of the Home and School Club are: PRESIDENT, Phil Salitiri; VICE PRESIDENT, Jean Peterson; SECRETARY, Alice Smith; TREASURER, John Nevin; AUDITOR, Henry Kahrmann.

Charles Bruce announced a Citizens Committee meeting and suggested that a representative of Cherry Lane be present.

An explanation of the school accident insurance program was given in response to a request from the group.

The Campbell Gambol

THE PRESS Today has a story about the number of new homes and costs for which permits were issued in the first nine months of 1955 by the county building department, and from now on W. L. Morser is to issue the permits and make the inspections, being as he is the newest member of the city family of employees, and operating from the Chamber of Commerce building . . . Probably be permits for at least 500 new homes issued for the calendar year of 1955 and building costs will run to five million dollars for this period, which is not peanuts for a city of this population operating without a city hall of its own . . . when Mayor Morton conducted members of the citizens committee around the quarters at the fire station on Central avenue Thursday night it seemed all facilities were jammed together, especially so at the storage room for the department of public works where it seemed the room was about filled to capacity with ropes, signs, recovered bicycles, tires and a lot of other things . . . some of the committee members said they had no idea such a condition existed here.

SIGHTEMS . . . Cliff Cassiday, the punster who figures we ought to change the name of the Campbell Press to the Campbell Owl, account this is the only newspaper that gives a hoot about Campbell . . . Councilman Charlie Rose driving about in a new Packard of fire-cracker red hue and taking a lot of ribbing about whether or not he is the assistant fire chief, Mayor Richard Morton in a shiny new Lincoln, Police Chief Robert Locke and family in their new home on Christopher avenue, Police Sergeant Darrell Rachford and family moving Tuesday in their new home on Fewtrell avenue, Patrolmen Gordon Rooney and Richard Mayne looking about for new homes here for their families . . . cars in every parking space from the tennis courts on West Campbell avenue to Second Street on East Campbell avenue on Tuesday evenings as organizations and evening classes began Fall meetings in earnest . . . Jean Gibson of Nova Scotia Lane in Cambrian Park trying to get interest in a ceramic studio she would like to start at her place . . . George Meleen and Bob Garcia teaming up with Herbert Johnson, pastor of Assembly of God Church to put the north roof on the parsonage at 138 North Winchester Road, last Saturday morning, and this Sunday a business meeting there to consider a proposed addition to the church.

THIS IS among other things, National Newspaper Week, National Fish Week and National Druggist Week, so we've got you coming and going.

During early development of the Comstock Lode, Henness Pass was one of the main emigrant trails between Virginia City, Nevada, and Marysville.

Mr. and Mrs. Lars E. Hatlan of 814 Lantz avenue who on September 24 observed their golden wedding anniversary at a surprise party in their behalf at Vahl's of Alviso given by their son and his wife, Mr. and Mrs. William George Hatlen and attended by grand-children and dozens of friends of long standing.

Campbell Register

Square dancing for beginners is a new class being sponsored by the Rosemary Home and School Club on every Tuesday evening at Rosemary School with Ken Clark as caller.

Mrs. Zelia M. Rhea of Rhea's Golden Rule, has just returned from a combined vacation and business trip to Salt Lake City, Las Vegas and Los Angeles.

Mrs. Minor Milton of Stafford, Kansas, has recently returned to her home after visiting her son and daughter-in-law, Mr. and Mrs. Richard Milton, and her grandson, of 751 East Campbell Avenue.

Mr. and Mrs. Ronald Coleman of 756 E. Campbell Avenue, had as recent weekend guests, Mrs. Coleman's parents, Mr. and Mrs. Frank Tressendore, of Fresno. Mr. Tessendore is assistant manager of a shopping news publication, the "Fresno Guide". Also visiting the Colemans were Mrs. Coleman's brother and sister-in-law, Mr. and Mrs. Charles Tessendore and their two sons, Cary age 2 and Teddy age 3½.

Judge Martin Walsh showed a movie of the trip he made this summer on the Alcan highway at the Lions Club of Saratoga on Monday noon. He is showing the same pictures at the Mt. Hamilton Grange meeting tomorrow night at the Grange Hall east foothills.

Miss Jo Ann Strong of 228 Kenneth Avenue, a first year student at Cottey College in Nevada, Mo., is now a member of the Emerson Society there. She was among a group of Cottey co-eds attending an informal dance Saturday evening at Wentworth Military Academy in Lexington, Missouri.

Campbell teachers attending the Bay Section, California Teachers Association Council in the Washington School at Berkeley on Saturday were Ralph Dill, William Lorimer, Calvin Roll and Garth Norton.

Harry Rediker, who suffered a heart attack while vacationing in Canada in September and spent an enforced rest in the Lady Elizabeth Bruce Memorial Hospital, has now returned to his home. He attended this week's Campbell Rotary Club meeting and appeared to be in good health.

'Sabrina Fair' To Be Produced Here

The cast of "Sabrina Fair", under the direction of William Chestnut, is completing the final weeks of rehearsal for this amusing play scheduled for the evenings of October 21st and 22nd in the Campbell Union High School Auditorium. Tickets will be on sale the week of October 10th at the Campbell Hardware Store, and from Footlighter members.

Several interesting and talented newcomers help to make up the cast of "Sabrina Fair" and these people, together with the "veteran" club members, give promise of some excellent entertainment for Campbell.

St. Lucy's Y.L.I. Spaghetti Dinner

St. Lucy's Institute 204, YLI, will hold its third annual spaghetti dinner Sunday, Oct. 9, from 2 to 6 p. m. at St. Lucy's School.

Mrs. John Howe is chairman for the affair, which will feature home-cooked spaghetti and meatballs, tossed salad, French rolls, ice cream, milk and coffee. Activities will include softball, volleyball, basketball, dancing and horseshoes, with rides and games for children.

Committee members are Mesdames Thomas Connolly, W. J. Stockdale, Ray Einberger, Ralph Bogner, E. D. Arata, Jess smith, Eugene Kelly, Leo Petrucci, Ray O'Brien, Ed Stojanovich, Floyd Wood, Leo McGinty, N. H. Morton, Victor Bahl, M. J. McCulloch, Robert Furnanz, Paul Cusick, Carmella Finelli, A. Von Stetina, J. V. Gomes, Dan Furtado and Steve Laptalo.

Reservations may be made by calling Mrs. Howe, FR 8-4794; Mrs. Kelly, FR 8-7074, or Mrs. Smith, ES 7-2392. Tickets will also be sold at the door.

Gay Williamson New President Fellowship Group

The Congregational Church Pilgrim Fellowship held a service for installation of officers in a candlelight ceremony in the church Sunday evening. The service was opened by the past president, Anita Raab. Dr. Corwin H. Olds, pastor, gave a statement on the purpose of the Pilgrim Fellowship. The new officers are: President, Gay Williamson; Vice President, Pat Weymouth; Secretary, Judy Weymouth; Treasurer, Dave Guptin; Faith Commissioner, Bill Meyer; Activities Commissioner, Betty Pollard, and Fellowship Commissioner, Barbara Engle. The installation service was followed by a dance in the church.

Parents are invited to a Pilgrim Fellowship potluck dinner at the church at 6:30 P. M., Sunday, October 9th. The program will include slides and an exhibit on uncovering a buried city in Palestine.

Presdential Possibilities

CAMPBELL HISTORY CLUB TO HEAR MIDWEST VIEWS

by Bob Olson

The Campbell High School "Historians", with forty-four enthusiastic members, will continue this year in its interesting program of (a) Hearing worthwhile speakers: (b) Participating in current event forums; and (c) Previewing American and European films which have historical implications. The group has invited its first outside speaker to lead a "presidential possibility" discussion in their meeting of Friday, October 21. He is Henry W. Phillips, a practicing lawyer from Illinois, who will be spending an October vacation in Campbell. Phillips, a member of the Illinois Central Committee for the past ten years, will bring some Midwest political views to the high school group and will lead a discussion of such questions as: (1) Will Adlai Stevenson again be the Democratic nominee? (2) Who will represent the Republicans if Ike can't or won't? (3) Why would the Democrats prefer having Nixon become the Republican nominee? and (4) Is the Midwest still isolationist?

History Club members have one of their first historical film preview parties tomorrow afternoon when at San Jose to view "Angela" (based on U. S. campaigns in Italy during World War II) and "The Left Hand of God", starring Humphrey Bogart. Other pictures later in the year are "The Spirit of St. Louis" (the story of Lindberg's famous flight across the Atlantic), Walt Disney's new True Life adventure, "The African Lion," "Count Three and Pray", a post Civil War epic of the Deep South, and "Fabulous Versailles", which describes the building of the French wonder city by Louis XIII.

Home And School Club For Dover Will Meet Monday

Meet Teacher-Get Acquainted is the theme of the first meeting this season of the Dover Home and School Club next Monday evening at Hamilton School cafeteria. School children will make their own parents' name cards, which their teachers will hold till the mommys and daddys reclaim them with a "glad to meet you, teacher"!

Peter Zavlaris, the new president of the Dover Home and School Club, will preside, taking the place of Tom Mansfield, resigned, who is now on the School Board. Duane Beaubien, Dover Principal, has also promised an interesting film entitled, Freedom To Learn. Following will be the "get acquainted" part over cider and doughnuts.

Church Group Plans Barbecue

The Santa Clara County Association of Congregational Churches will hold their annual meeting at the Skyland Congregational Church next Sunday at 3:00 P. M. A barbecue chicken dinner will be served at 6:00 P. M. Anyone desiring to attend can make reservations by calling the church office, FRanklin 8-4418. Regular church services will be held at the church at the usual hours, 9:30 and 11:00 A. M.

A concert will be given at the Congregational Church on October 23rd. Mrs. Minnie de Reschke, soloist, will be assisted by her husband, Oscar de Reschke, Dr. Clifford Hanson, organist, and Mrs. Clifford Hanson.

CAMPBELL DEMOCRATIC CLUB DIRECTORS ENDORSE CITY BOND PROPOSALS

Members of the executive committee of the Campbell Democratic Club, meeting at the home of Howard Redmond on Cypress avenue, heard Councilman John Chargin explain need for a city hall, a west side fire station and a corporation yard as called for in the propositions to be voted on October 18. The committee endorsed the propositions, urging a "yes" vote.

Chargin is to talk next Tuesday evening at the Rosemary Home and School Club meeting on the same subject.

New Building At Hayward For Lee Bros. Office

Leon Sayous, general manager of Lee Bros. "Smiling Service" food chain said today work on new office and headquarters for the firm has started in the Huntwwod Manor Shopping Center at Hayward, covering 6,000 square feet of floor space. Work is expected to be completed about December 1 and will be the new general offices for Lee Bros. Inc. which operate 12 stores, including one at Los Gatos. The 13th store is under construction in Campbell at Latimer and Winchester.

Teamwork Topic High School PTA Meet Wednesday

Campbell Union High School P. T. A. will have its first meeting of the year next Wednesday evening in the Girls' Gym, prior to which time a dinner will be given by the cafeteria department at 6:00 P. M., preceding the meeting. Mrs. W. D. Nevis, program chairman, reports that the theme for the year is "teamwork does it".

Miss Kathleen Bull, dean of girls, and Robert Culp, dean of boys, will discuss their functions in the school so that parents will have a better understanding of why students must have passes from room to room and other rules.

Another feature of the program will be introducing faculty members to the parents.

Committee Favors Yes Vote Moreland School Bonds

At a meeting of the citizens' advisory committee at Moreland School on Tuesday evening, plans were made for the annual meeting October 10 in the cafetorium when the annual report is to be made and an election held of a steering committee including four officers and eleven citizens.

Subsequent to the annual meeting there is to be an installation dinner meeting early in November with Mrs. Kathleen Mortara as chairman. A meeting is also planned for December 5 when state legislators will discuss school problems and legislation.

The sub-committee named to study the October 11 school bond election recommended a "yes" vote. Henry Nettesheim was committee chairman.

Rotarians Hear Why Campbell Needs City Hall

Councilman John Chargin told members of the Campbell Rotary Club of the needs for a new city hall, a firehouse on the west side and a corporation yard, at the meeting Monday at which Cel Gerevas presided. Dr. Robert Jasmine was program chairman.

Chargin said that this will be the first bond election in Campbell since incorporation in 1952 and that the city has grown in personnel and in geographic size so that there no longer is adequate room for the 15 city employees at the fire station. There are two full time employees and a part time employee in an 11½x14½ office, and there are three full time firemen, a part time chief and a number of volunteers, while the police department has five full time employees including the chief, and a number of auxiliary policemen, all assigned to the fire station.

The three measures on the October 18 ballot will be for land and building completely remodelled for a city hall to cost $55,000, land and a fire station on the west side of Campbell to cost $35,000 and a corporation yard, fencing and building to cost $10,000.

Business Men Form Investment Project Here

Five west side businessmen have formed a $71,000 investment corporation in Campbell to give small investors an opportunity to purchase shares in various business ventures in this area with a small investment each month.

Officers of the corporation are Ken Roberts, president; Warren Brown, vice president; Del Lucot, secretary-treasurer; Orrin Accardi and Joe Anello, directors, and Ann Marshmann, assistant secretary-treasurer.

The group has formed a committee to look into the feasibility of investing in a particular venture.

There are now five investment corporations in Santa Clara County and another is reportedly being formulated in Saratoga.

Anyone interested in receiving more detailed information on the opportunities of joining this group is invited to contact any of the above named officers.

MORE TEACHERS AND SCHOOLS IN STATE NEEDED

Calvin Roll, 8th grade teacher at Campbell Grammar School, attended the Governor's Conference on Education in Sacramento, Sept. 30th and October 1st stressing the need for more teachers and schools in the state. In his opening address, Governor Knight expressed genuine concern and alarm over the mounting prime concerns of education.

The Conference was preliminary to the White House Conference on Education to be held in Washington, D. C. in November. The state meeting was primarily concerned with:

(a) What should our schools accomplish?

(b) How can we organize our schools more efficiently and economically?

(c) What are our school building needs—how can we meet them?

(d) How can we get GOOD teachers—and KEEP them?

(e) How can we finance our schools?

(f) How can we obtain a continuing public interest in education?

Netops Plan A Sneak Breakfast

Members of Sequoia Sewing Club of Netops Council No. 247, Degree of Pocahontas meeting in the home of Mrs. Alfred Amstutz saw the handiwork which will be offered for sale to the public the night of the council's fashion show October 14 in the I. O. O. F. Hall. Mrs. Walter Lamb is president.

Mrs. George Reynolds reported that the club's barbecue at Blackberry Farm was a huge success.

Plans were made for the annual sneak breakfast some Sunday in October at the home of Mrs. Clarence Cole. Mrs. Walter Lamb, Mrs. Robert Loveday and Mrs. Ray Gilpatrick will assist Mrs. Cole. Mrs. Amstutz served refreshments at the close of the business meeting.

Others attending the meeting were Mesdames Forrest Chapman, John Morris, Douglas Cleveland, Delbert Blomquist, Stanis Rohde, Donald Johnson, George Reynolds, George Wilson, D. A. Gutierrez, Walter Lamb, Thelma Nelson, Mal Dorsett, Robert Loveday, Jess Peters, Clarence Cole, Ray Gilpatrick, Ben Radford, and Mrs. LaVerne Helwig, guest of Mrs. John Morris.

CAMPBELL VARSITY WHIPS LINCOLN 12-6

by Steve Dunn

Campbell High Bucs held off a resurgent Lincoln Lion outfit, 12-6, last Friday in a practice tilt played here in which an experienced line, a strong running attack, and a punt return by halfback Ray Nishijima made the difference for the Buccaneers.

Campbell completely dominated the first half. Receiving the opening kickoff, the Bucs promptly marched deep in to Lincoln territory. However, the defense of the Lions stiffened and they took over on their 35 yard line.

At this point Lincoln made a weak start offensively. On their first play from scrimmage, Buc end Tom Clark crashed in to throw the ball carrier for an 11 yard loss.

The first break of the ballgame came when Gary Prnjak recovered a Lincoln fumble on their 29 yard line. The Bucs capitalized on it, as they unleashed a touchdown drive which covered the 29 yards in six plays, including runs of 13 and 6 yards by Ray Nishijima. The T. D. was scored, as Nishijima plunged over from the 3. The conversion was missed; so, at 1 minute and 40 seconds into the second quarter, the score stood at 6-0.

Later in the quarter, the Bucs mounted another drive which carried all the way from their 48 to the 14 yard line of Lincoln. Big man in this advance was Russ Cahill, who carried for 12, 5, and 4 yard gains. The drive was halted when, after a 15 yard penalty, a Lincoln defender picked off a Jerry Sutton pass.

At the half, it was still 6-0, as the Campbell defense had horsecollared the Lions. Lincoln only accumulated one first down and 18 total yards during the whole first half. Campbell ran up a total yardage of 127 yards, 116 by rushing, in the first half. Charlie Cardona made the outstanding defensive play of the second quarter as he grabbed a Lincoln back by the neck of his jersey and drove him out of bounds.

In the second half, Lincoln came roaring back. Applying the pressure, they intercepted a pass deep in Buc territory. Five plays later, quarterback Jones lofted a long aerial which Wayne Thush, sensational Lion end, took over his shoulder in the end zone for a touchdown. The play covered 22 yards. The conversion was missed, much to the relief of a partisan home crowd.

Going into the fourth quarter, the game was tied at 6 apiece.

Then a Lincoln back, punting from deep in his own territory, got off a poor kick which Ray Nishijima took near the 30 yard line. Nishijima electrified the crowd, as he powered past two Lion defenders into the end zone for the go-ahead touchdown.

Lincoln was not through yet, however. Moments later, after a 28 yard Jones to Thush pass, the Lions were knocking on the door, 12 yards from the Campbell goal. With their backs to the wall, the boys from Campbell rallied and threw a Lion ball carrier for a 4 yard loss. Then, with time running out, the Lincoln fullback took a handoff, funmbled the ball, and Mike Profit, Buc tackle, gained possession of the pigskin, thus putting the ball game on ice, the score to remain 12-6, in favor of Campbell, at the final gun.

PATROLMAN AND PROWLER SHOOT, BUT BOTH MISS

While Patrolman Gordon Rooney was making a routine checkup at the Campbell Lumber Company plant at 450 South Winchester Road early Friday morning he saw a man in the doorway of the warehouse, acting suspiciously. Rooney took a gun from the rack of the patrol car and started to move toward the man and when he got within about ten feet of him, the prowler fired, then turned and ran.

Rooney fired back. Both men missed. The prowler was described as about six feet tall, of medium build and wearing dark clothes.

Cambrian Church Holy Sacrament

The Sacrament of Holy Communion will be celebrated at the Cambrian Park Methodist Church this next Sunday, October 2, at 11:00 A. M. according to the pastor the Rev. Sargent Wright. On this particular day Christians around the world will celebrate the Lord's Supper in what come to be known as "World Wide Communion Sunday". Mrs. Leona Williams, communion steward of the church, is preparing for the largest service of communion ever held in the church; record attendance in both Sunday School and divine worship services last Sunday has made this church, located one-half mile south of Union avenue on Cole Drive, a center of activity for many new families living in new housing areas around Cambrian Park. The communion service is for all who profess a faith in Jesus Christ as Saviour and Lord, regardless of denomination of church previously or presently affiliated with.

NOTICE TO BIDDERS

The Board of Trustees of the Campbell Union School District will receive sealed bids up to and including 2:00 P. M., October 7, 1955, at the Administration Office, 111 North Third Street, Campbell, California, for the purchase of the following described equipment:

One integral transit type school coach capable of seating 79 elementary school children, allowing 13 inches per seated passenger and powered with an underfloor Hall Scott horizontal engine, or equal, of not less than 590 cubic inch displacement, developing 232 Horse power at 2800 R. P. M.; tires shall be 1100 x 20 - 12 ply dual rear (six (6) tires and tubes first grade quality to be furnished); Westinghouse Air Brakes, or equal; Crown Kontrol, or equal, thermostatically controlled variable pitch fan; progressive type bus springs with cast safety eyes and rubber shackle suspension; dry wall side body construction with single drop sash; air controlled single panel service door to operate inwardly with means for outward operation in case of emergency only; heavy duty Koroseal, or equal, upholstered seats; all outstide paneling and inside lining to be of No. 051-3 half hard aluminum, outside panels to be riveted to steel frame structure; 12-volt electrical system; motor driven fresh air blower inside of front of body at top; stainless steel stanchion bars; inside body height - 76" clearance; and all other requirements set out by regulations governing school bus transportation by the State of California.

Sealed bids will be opened at or about 2:00 P. M., October 7, 1955 at the Administration Office, 111 North Third Street, Campbell, California. Bus shall be delivered to the Campbell Union School District not later than October 10, 1955.

The Board of Trustees reserves the right to accept or reject any and/or all bids and to be the sole judge as to merits, suitability, and qualifications of the equipment offered, to award the contract to other than the lowest bidder and to waive any informality in the bidding.

MEMBERSHIP DRIVE

The Annual Membership Drive for the Moreland School P. T. A. will be from October 10 to October 14.

Mrs. Herbert Webb, Membership Chairman, and her committee members, Frank Lovoi and Mrs. Otto von Herman will be working to welcome back the old members as well as seeking out new members.

INK STAINS

By HELEN McLEOD

The Sam Serchias of McFarland Avenue have returned after a two week vacation up north. Mrs. Serchia's mother, Mrs. Anna Panetta, gave me the information, including the name of the town. I neglected to write it down, but remember it began with a "P". So I think the Serchias vacationed at either Prineville, or Petaluma, or Pocatello, or could it have been Puyallup?

BRIEFLY QUITO: (Simply items with no feeble attempts at humor.) MRS FLOYD SCHWAB is new Moreland bus driver. MRS. VELMA TIMMONS is back in hospital for more surgery. NELSON KEY and family are new to the area—moved into Devon Avenue home from Menlo Park. Ditto FRANK RAAB and family, new comers that is—only their home is on Raven Court, and they're from San Mateo.

WESTHOPE UNITED PRESBYTERIAN in Quito—Doings as gleaned from the monthly letter: PRISCILLA CIRCLE met at the home of Mrs. Julia Niccolls in September. MRS. MARY ELLEN ZAMZOW will hostess the October 20 meeting. HOPE CIRCLE'S October meeting will be at the Paseo Tierra home of Mrs. Jean Ecke. CHAPEL CHOIR will have a Chinese dinner at the Church, Friday, Oct. 21st. LAYMEN'S SUNDAY is October 16th. Herman Phillips, coordinator of this service, has these men as assistants: Paul Wright, Herb Clark, Dick Scott, Dennis Herschback, Dick Craig, and Paul Rumford.

QUITO SCHOOL (McCoy Road) has been having several groups of teachers entertaining the parents, for the past two Thursdays. Mrs. Dorothy Sutter, principal, discussed school problems, such as double sessions, after which the parents were given refreshments. Teachers in charge of the first gathering were Mrs. Hubbard, Mrs. Fore, Mrs. Smith, Miss Tanhoeff, and Mrs. Craig. The following week's group consisted of Miss Simas, Miss Dent, Mrs. Habenicht, Mrs. Peterson, Miss Peacock, Mr. McMillan and Mrs. Gilmore. I didn't use the first names of these teachers, because, (a) Since these are their professional names, it is legitimate newspaper practice to refer to them in this manner. (b) I was too lazy to call the school and get the rest of the information.

MY SCOUTS TELL ME that Quito school has just two report cards a year, with several parent-teacher conferences in between. I still prefer the tests with percentages, and to have such grades placed firmly and clearly on several report cards a year. EL QUITO PARK SCHOOL uses the "satisfactory and unsatisfactory for this child" form of grading, which I consider about the most meaningless type of grading in existence. I haven't seen one from Moreland lately, but presume the same system is in effect at that school also.

STUDENTS WHO ATTENDED EL QUITO PARK last year, and who are now at Moreland, are happy this latter school has finally seen the light. School banking is being established there, also—an effective method of teaching thrift was instituted at the district's other school last year.

THERE IS A MOVEMENT to start a Little Theatre group at Moreland, with the first meeting of parents being tomorrow night, Friday, October 7, 7:30 p.m., at the cafeteria. Further information may be gathered by calling AX 6-3341 or CH 3-3340. (No names came with the notes—just the phone numbers.)

SAN TOMAS 4-H had its first meeting of the year, at San Tomas School. Mr. and Mrs. Richard A. Slauter head this organization, which is interested in getting more children with parents to lead more projects.

Auxiliary Plans Card Party Here

The American Legion Auxiliary, Unit 596 met September 28 to plan the year's activities, the first event of which will be a card party in the I. O. O. F. Hall the evening of October 26th. Prizes will be given and refreshments served.

Funeral Services Conducted For Col. E. Kollmer

Funeral services were held Tuesday morning at Darling, Fischer and Krug Memorial Chapel for Colonel Emil F. Kollmer, USA Ret., of 66 North Milton avenue who died suddenly and unexpectedly Saturday while on a visit to Lakeport in Lake County.

A native of Kokomo, Indiana, Colonel Kollmer was for many years assigned to the 11th Field Artillery and the Quartermaster Corps. He had participated in the opening of Camp Roberts near Paso Robles at the time of the rearmament program prior to World War II. In 1946 he was retired from active military service and came to Campbell.

Col. Kollmer is survived by his wife, Etta, and their two daughters, Katherine Kollmer of Carmel and Margaret Kollmer of Honolulu, T. H. He was a brother of Albert, Otto and Josephine Kollmer of Indiana.

Troop 28 Holds Potluck Dinner

A father and son potluck dinner was held in the Campbell Grammar School cafetorium by Campbell Scout Troop No. 28 last Thursday evening, following which Merle Dodd, scoutmaster, held a meeting to plan for troop activities for the coming year. Dodd said he hoped to secure the help and participation of the fathers in these activities which will include day hikes, "cookouts", a snow trip to the Sierras and a trip to the Pinnacles.

The first sailing vessel to ascend the San Joaquin iver was the "Comet", used in 1846 by Mormon founders of the town of New Hope, now Newhope Landing in San Joaquin County.

Moose Lodge Being Organized

Fred Stubblefield of 321 Shamrock Drive who is active in organizing a Loyal Order of Moose Lodge in the Campbell and Cambrian district, said today he had been named temporary secretary untl the new lodge is instituted and officers seated.

Associated with him in organizational work are Edd Peoples Jr., Dale Straton, Bill Watson, Richard Whitton, Jess Daniels and Louis Dandl all of Campbell and Dr. John Wehinger and Ray Traylor of San Jose. The Moose Lodge is a fraternal organization dedicated to the support of orphans and mothers of deceased members.

Grange Honors Memory Of Pioneer Member

Many neighborhood Grange visitors were present when at a recent meeting of Orchard City Grange in Campbell, its charter was draped in memory of Charlotte W. Sutter, a charter member who had missed very few meetings in her more than 52 year membership . Officers took part in the funeral march around the hall, bearing lighted candles then coming to rest in front of the altar in the form of a cross.

David Rutherford, soloist was accompanied by Miss Lois Wileman on the Xylophone and by Virginia Rutherford at the piano. Later several members gave short reminiscing talks about Charlotte Sutter who was the oldest native resident of Campbell at the time of her death on August 7th.

Richard Morril reported Orchard City Grange had the prize winning booth again at the Santa Clara County Fair, giving credit for members who worked on it putting in 960 man hours to make it a success, It was designed by Richard Morril.

Mervin Keesling presented his 59 ribbons, first, second and third prizes, won by the Keesling family, this year making it a total of 464 ribbons won during the several years at the County Fair.

A. J. Emery, Master of Los Gatos Grange was then asked how many ribbons he won with his chickens and his answer was: "Too many to count."

Visitors from Soquel Grange, East Palo Alto, Sunnyvale, Mt. Hamilton and Almaden were present.

Harry Barnes spoke on the coming State Convention in Sacramento.

Mr. and Mrs. Fred Bentley returned from their vacation.

After the meeting refreshments were served in the Banquet hall by Mrs. Ella Wurfer assisted by Mr. and Mrs. Lambert Skillman, Mrs. Alice Reynolds and Mr. and Mrs. L. Scarper.

BRAILLE CLASS PLANS FOR CAMPBELL HIGH SCHOOL

A class in Braille for parents of the blind or for those wanting to learn transcriptions is expected to start at Campbell High School under Fred Sinclair, specialist in this course, if a sufficient sign up is made. A class in introductory engineering and basic mathematics has been scheduled for Thursday evenings at the Campbell High School under Hugh Foskett.

Woodshop class for the Camden area is scheduled Tuesday evenings at Union School under John Mount. Registration for any of these three may be made at the classes.

Double Sessions Continue At The Cambrian Schools

The Santa Clara County Planning Department recently released a survey report dealing with the unprecedented growth in the Cambrian School District, suggesting that when the area is fully developed there will be over 7,500 students attending Cambrian District classes. Of these, 5,860 students will attend K-6 grades and 1,675 will attend 7-8 grade schools. Ten K-6 and two 7-8 grade schools will be required.

District Trustees are holding an election in November to meet the district's current needs. The electorate will vote on a $300,000 bond issue.and a request for $1,800,000 in State funds. This money will be used for the completion of Bagby School, $150,000; completion of Steindorf School $100,000; construction of a fourth school, $550,000; purchase of a site and construction of a fifth school, $650,000, and purchase of a site and construction of a sixth school, $650,000.

Double sessions are in effect in both schools of the district, and the enrollment continues to rise.

The Cambrian Home and School Club held a teacher's reception last night. Because of the limited space at both Steindorf and Cambrian School, the reception was held in the Cafetorium of the new Camden High School on Union and Camden Avenues and was a combined reception for teachers of both schools.

The two new busses, scheduled for delivery this week, will not be delivered for another two weeks because of the delay in parts arriving from the East.

California has four wilderness areas comprising 962,488 acres within its national forests.

Red Feather To Open School Drive

With the business canvass already under way in the Campbell Red Feather Camaign, the Community Chest appeal in all schools in the Campbell area is scheduled for next week, under chairmanship of Delos Bagby, superintendent of of the Cambrian elementary district.

The general Red Feather campaign, in the residential areas in and around Campbell, will kick off on Oct. 17.

Assisting Bagby as school division co-chairmen are Mrs. Gussie Baker, superintendent of the Moreland elementary district; William Henley, superintendent of the Campbell elementary district; Kenneth McDonell, superintendent of the Union elementary district; and Laurance Hill, superintendent of the Campbell high school district.

Bagby will serve both as general schools division chairman and as chairman in the Cambrian elementary district.

The 16 elementary schools in Campbell, Cambrian, Moreland, and Union elementary districts and the two high schools, Campbell and Camden have a total of more than 12,000 pupils and 500 teachers.

Business solicitation among 225 business and commercial firms in the Campbell - Cambrian - Quito areas got under way last Monday, in charge of David E. Farley, Henry Jewell, Roland Risso, Thomas Daugherty and Paul Basham.

George B. Kemp is general chairman of the 1955-56 Campbell Red Feather appeal, which will seek support for the 27 Community Chest agencies which provide Campbell and some 20 other cities and towns in central Santa Clara county with youth, health and welfare services.

Citizen Group Endorses Moreland Bond Measures

Moreland School District is holding an election next Tuesday, Oct. 11th to issue bonds and secure permission from the citizens to borrow additional funds from the state. Bond issues amounting to $250,000.00 will be requested and a state loan of $500,000.00.

This money will be used to construct a school of 2 Kindergartens, 12 classrooms and an Administration Unit and to purchase an Upper Grade School Site. Board members say this is needed as Moreland District is experiencing a very rapid growth in school population as many new homes are being constructed.

Moreland has a very capable and active Citizens Advisory Committee studying the problems of the school district and which at the last regular session of the Board of Trustees presented an endorsing Resolution on both propositions to be voted next Tuesday. The resolution was signed by Sal Milan, president and Mrs. Frank Mortara.

Whereas new school construction in the Moreland District is vitally necessary to eliminate the present double sessions and to provide for the obviously increasing school population, and whereas such construction will require borrowing the major portion of the necessary money from the State, be it resolved:

That the voters of the Moreland School District be urged to vote YES on both propositions in the election of October 11,1955, and that a copy of this resolution be transmitted to the Moreland School Board of Trustees.

Sky Pilots Plan Model Plane Meet In Campbell Soon

Precision acrobatics will be the main event when the Campbell squadron meets with other squadrons of the Bay Area Sky Pilots of America at Edwin Markham Junior High School at the invitation of the Willow Glen squadron. A contest will be held in which each flier will be given an opportunity to demonstrate his ability in precision acrobatic flying.

Combat flying will probably be the main event when the Campbell squadron extends an invitation to the Bay Area squadrons to meet at the Campbell Union High School some time in October.

The public is invited to attend these meets and have an opportunity to see the skills which will be exhibited by these boys in handling the plane models which they have built themselves.

Mrs. Elmer Osterberg, 660 McGlincey Lane, has donated the use of a large chicken coop to this group. The boys have cleaned and remodeled this building and now have a fine club house.

Lt. Col. Storrs, squadron leader, reports that the squadron has had an increase in membership and recently added two more flights. Each flight consists of five boys to which two men are assigned to assist and guide the group, although each boy is encouraged to use his own initiative and ability in working out the problems in building his model plane.

All boys from ten years of age and up are invited to attend the meetings at 660 McGlincey Lane each Friday at 7:30 P. M.

Bob Hoffman, Bob Herman and David Nelson are trying to get the kinks out of the problem of refueling in midair for an endurance flight in which they will attempt to break the world record. They are reported to be having success and will make another attempt at breaking the world record before long.

Campbell Cubs On TV Program

Thirty-four members of Cub Pack 9 of Campbell, appeared on TV Channel 11 Tuesday to tell how this group functions today. Bib Jim DeNoon said this was the first cub pack formed in America, when Rev. Joseph Bennett of the Campbell Congregational Church brought the idea over with him from England. The pack functioned under his leadership before the plan was officially adopted in 1930 by Boy Scouts of America.

Cub Master of Pack 9 is Gus Gladding.

At a meeting of the Pack in the Congregational Church on Friday, ten new bobcats admitted were Ronald Morton, David Crook, Jeffrey Smith, Bob Carlson, Bruce Carlson, Jimmie Hughes, Ricky Bergstrom; David Robinson, James Malone, and Jared Jones.

Buc Lightweight Hoopsters Lose To San Jose High

by Steve Dunn

The hoopsters of Campbell Union High School were outfought by two strong teams from San Jose in two games played there, Wednesday, September 30.

In the initial contest, the final score was 38-25, as the local boys were hurt by a total of 16 points accumulated through free throws by the opposition. Two boys from San Jose, Arevala and Fukumura, shared high point honors in the game with 12. Leading the scoring for Campbell were the two right forwards, Fred Tashiro and Benny Lujan, who both dropped in 6 points.

In the second 'C' game, San Jose triumphed by the score of 46-34, as the ucs greatly missed Ted Kanamoto, one of the best men on the team, who has missed the two opening contests of the season because of illness. He is expected back soon.

The Bulldogs jumped out to an early lead at the half-way point. In the last two quarters, the Bucs came back behind Dave LaBarbara, who played sensationally in the second half, dropping in 11 points. In all, LaBarbara scored a total of 15 points to take high point honors. Also playing an important role for Campbell was Vic Itow with 6 points, while San Jose was led by their left forward, Saccomanno, who claimed a total of 13 points.

BUCS PLAY WASHINGTON IN LEAGUE OPENER AT CENTERVILLE TOMORROW

Having won its practice game last week, the Campbell High School Varsity Football Eleven travels to Centerville tomorrow night to play the Washington Huskies in the first 1955 Conference game for both teams.

Washington has a much-improved team this year. Campbell's championship club of last season had all it could do, even then, to hold the Huskies to two touchdowns in a game the Bucs won 20-13. Washington has 11 lettermen back from that team, including four experienced backs plus quarterback Tino Rangel, considered by many of the coaches one of the league's best signal callers last season.

New Huskie coach, Jim Sperou, is teaching his boys "San Francisco State" type football, a wide-open offensive with long end sweeps and surprising pass patters.

Halfback Bob Marin looked good in Washington's opening game, running thirty-three yards for the Huskies only touchdown in a contest they lost 24-6 to a tough San Francisco Poly High School Reserve squad last Friday night. When Huskie halfback Don Stewart gets over his fumbling habit, he'll be a threat, and Bill Bachman, another Huskie back, is a fleet breakaway runner. The Huskies have an all-veteran line and should present a good first game challenge for the Buc forward wall. Washington is always tough at home and their student body, 1650 strong, makes one of the most vociferous cheering sections in the valley.

C-Team Wins First Game Of Season

by Steve Dunn

Campbell D and C basketball teams split two games against Lincoln Tuesday, October 4, on the hometowners' court.

The first D game proved to be a defensive contest, as the final score was 19-17 in favor of Lincoln. At the half, the Lions had an 11-1 advantage, so the Bucs came back considerably but not quite enough. This was their third straight loss. Benny Lujan was high scorer for the Bucs with seven markers. Kent Winters scored six.

In the second contest, the C's won their first game of the year, 26-25 in a thrilling, come-from-behind victory. At one point, the game Bucs trailed 23-13. However, their comeback was enough to pull the game out of the fire by one point. John Montilla led Campbell, and was high point man for the game, with a total of elevent points.

Women's Service Club Has Active Program Planned

Mrs. Norman Pratt, 16172 Mozart Lane, was hostess for the meeting of the Women's Service Club of Campbell on Wednesday, September 28th, when new officers were elected and plans formulated for future club activities.

Teenage employment is one of the activities which the club will sponsor, under the chairmnship of Mrs. George Pounding. The committee on teenage employment will serve as a clearing house for teenagers seeking odd jobs to be done such as baby sitting, garden work and other similar work.

Miss Kathleen Bull, dean of girls at Campbell High School stated that the high school will offer full cooperation in the venture. Further information will be given when plans have been completed and the project is under way.

Officers for the coming year are Mrs. H. Y. Rice, president; Mrs. E. R. Foreman, vice president; D. K. Becker, second vice president; Mrs. D. R. Chamberlain, secretary; Mrs. Ostermeier, treasurer, and Mrs. B W. Creighton, historian. Mrs. Monte Estabrook, Mrs. Fred Merritt and Mrs. Howard Guilbert. Three new members were welcomed by the club and presented with fuchsia corsages.

HIGH SCHOOL NEWS NOTES— Those brand new Campbell Varsity Football uniforms are flashy. The pants are red and the jerseys of the UCLA type, with shoulder stripes running under the armpits, giving all our men the appearance of massive-shouldered giants. The shirts are blue with red stripes outlining the numerals, and they're made of "easily torn" material so that runner may still break free of would-be tacklers, more grabby than competent.
